Introduction of ONE ART Taipei

ONE ART TAIPEI
2023

| Professional Experience in Art Fair Production |

ONE ART Taipei Committee has many years of experience in international art fair production, and also won the TID Award in 2015. One of our representative art fairs has also been selected as one of the top 10 cultural and creative events by magazine LA VIE in 2015. At the beginning of this year, ONE ART Taipei 2022 was not affected by the epidemic, and it attracted 10 thousands of people to participate. Together, we created up to 40 millions art sales, and fully formed the thriving grand occasion of Taiwan's art market. ONE ART Taipei aims to integrate the art industry in Asia Pacific and to strengthen domestic collectors' development, and also provide both domestic and overseas collectors an exceptional VIP service.

a strong trading platform for the international art market and becoming one of the leading Asia Pacific art fairs in Taiwan.

| Inspiring Art Events |

Diverse and inspiring art events will be planned during the art fair. The Pop-up Museum provides the additional opportunity for exposure for galleries to showcase the artworks in the public area. ONE ART Award continually discovers young and promising artists through the rigorous selecting process by our professional jury team. Best Interior Design Award encourages galleries to incorporate the curating concepts to explore more possibilities for artworks into their exhibiting spaces.

ONE ART Taipei Campaign Events

| Exclusive VVIP Event |

OAT hopes to provide exhibitors and all VVIPs a more relaxed and enjoyable space for artistic exchanges; we organize an invitation-based top courtesy event throughout the fair. OAT sincerely invites you to join us and have a good time together.

| Best Buy 3,000 USD |

“Best Buy 3,000 USD”, invites the participating galleries to present up to three artworks priced under USD 3,000; guiding the contemporary art lovers who want to become collectors with artworks with potential and high-quality yet with a budget-friendly price. Also, when the sky-high price of contemporary art enters the consolidation stage, some senior collectors focus on searching potential artists; investing in rising stars while paying attention to the classics. For collectors who just start their collection, the artworks are no longer out of reach. The delicate and small scales of works also meet the needs of young collectors in the display space of life aesthetics.

| POP UP Museum |

Hotel Metropolitan Premier Taipei had its grand opening in August 2021. As the first overseas hotel under the top hotel brand of JR East Japan Group, with the concept of "Comfortable and Wonderful Place", with smiles and considerate hospitality, it provides guests with a colorful, pleasant and relaxing stay experience. OAT has specially arranged some public spaces in the hotel for art exhibit use. Together with Hotel Metropolitan Premier Taipei, we would like to have our guests to be surrounded by art and the delights.

| ONE ART Award |

OAT is committed to discovering art talents to bring more art power to Asian art industry. Considering that the young artists tend to go through a phase of self-discovering and style adjustment after their academic years, 35 is considered an age of a milestone. OAT is to find more young potential artists and provide them the prize, “ONE ART Award,” which is jointly decided by gallery owners, press, and collectors to give them positive recognition. This gives the new-to-industry young artists a strong recognition and a stage to be seen in the art market. The award will be announced at the Welcome Party on January 13th, 2023.

Best Interior Design Award

In order to regain the intention of the hotel art fair, to present artworks in the limited space, OAT presents the Best Interior Design Award to encourage the participating galleries to decorate the room to create more diversities.

To present the finest art experience full of surprises for collectors and fair goers, ONE ART Taipei 2023 keeps the "Best Interior Design Award". The winner will be selected by jurors and the result will be announced on the last day of the fair. The awarded gallery will receive a 50% off discount for the next OAT booth fee.

OAT reserves the right to assign room type.
