Introduction of ONE ART Taipei

1:

Professional Experience in Art Fair Production

ONE ART Taipei Committee has many years of experience in international art fair production, and also won the TID Award in 2015. One of our representative art fairs has also been selected as one of the top 10 cultural and creative events by magazine La Vie in 2015. At the beginning of this year, ONE ART Taipei 2025 attracted 10 thousand people to participate. Together, we created up to 40 millions art sales, and fully formed the thriving grand occasion of Taiwan's art market. ONE ART Taipei aims to integrate the art industry in Asia Pacific and to strengthen domestic collectors' development, and also provide both domestic and overseas collectors an exceptional VIP service.

3:

Inspiring Art Events

Diverse and inspiring art events will be planned during the art fair. The Pop-up Museum provides the additional opportunity for exposure for galleries to showcase the artworks in the public area. ONE ART Award continually discovers young and promising artists through the rigorous selecting process by our professional jury team. Best Interior Design Award encourages galleries to incorporate the curating concepts to explore more possibilities for artworks into their exhibiting spaces.

4:

Best High-Quality Artworks All in ONE

OAT provides various perspectives of art by showcasing important works ranging from established masters to emerging artists. The fair is divided into three sectors: “Unlimited” presents best modern and contemporary artworks from established artists. “Discovery” provides a platform for emerging talents under the age of 35. “Media Art” exhibits artworks in various media and forms. If you’re looking for an exceptional fair experience, don’t miss out on ONE ART Taipei 2027!

ONE ART Taipei Campaign Events

Best Buy

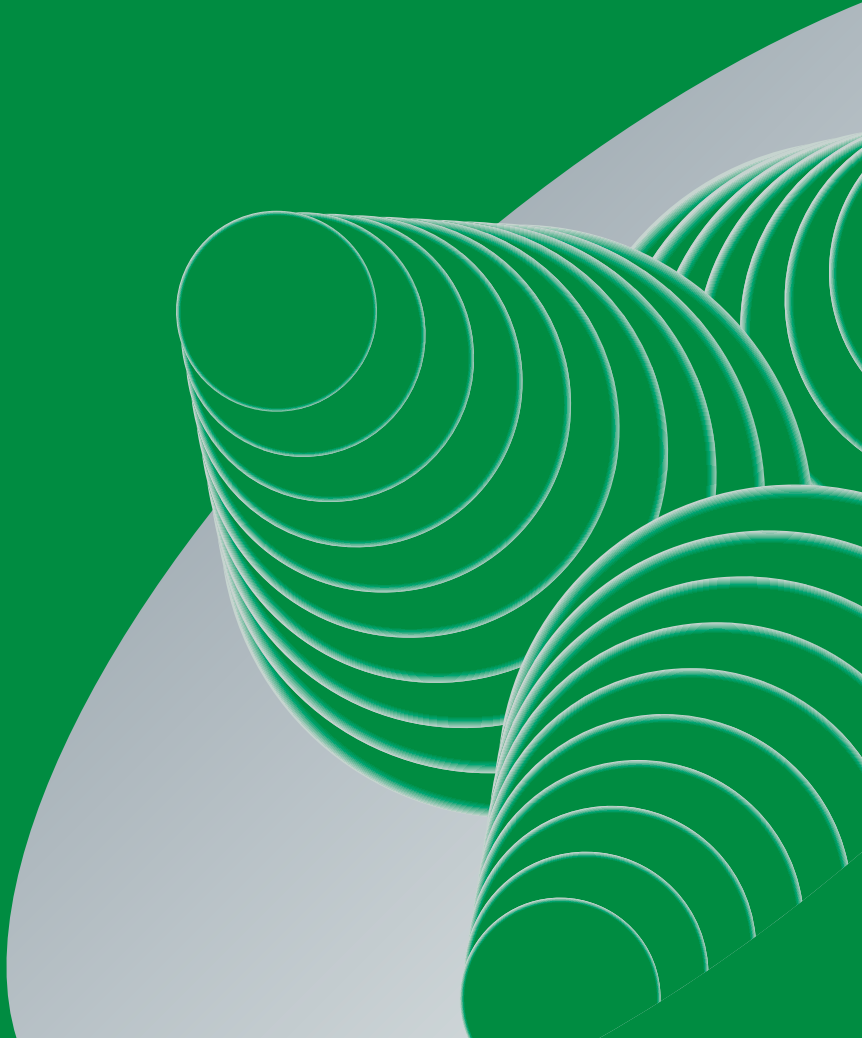

ONE ART Taipei is not only dedicated to discovering emerging artistic talents, but also to introducing high-potential works to collectors with a passion for contemporary art. To this end, ONE ART Taipei continues to promote and curate the “Best Buy” Gallery Recommendations, inviting each participating gallery to nominate up to three highlight works. This initiative aims to guide entry-level collectors in taking their first steps into collecting, while showcasing outstanding artworks by promising artists.

Pop-up Museum

Hotel Metropolitan Premier Taipei had its grand opening in August 2021. As the first overseas hotel under the top hotel brand of JR East Japan Group, with the concept of "comfortable and wonderful place", with smiles and considerate hospitality, it provides guests with a colorful, pleasant and relaxing stay experience. OAT has specially arranged some public spaces in the hotel for art exhibit use. Together with Hotel Metropolitan Premier Taipei, we would like to have our guests to be surrounded by art and the delights.

ONE ART Award

OAT is committed to discovering art talents to bring more art power to the Asian art industry. Considering that the young artists tend to go through a phase of self-discovering and style adjustment after their academic years, 35 is considered an age of a milestone. OAT is to find more young potential artists and provide them the prize, “ONE ART Award,” which is jointly decided by gallery owners, press, and collectors to give them positive recognition. This gives the new-to-industry young artists a strong recognition and a stage to be seen in the art market. The award will be announced at the press conference.

Best Interior Design Award

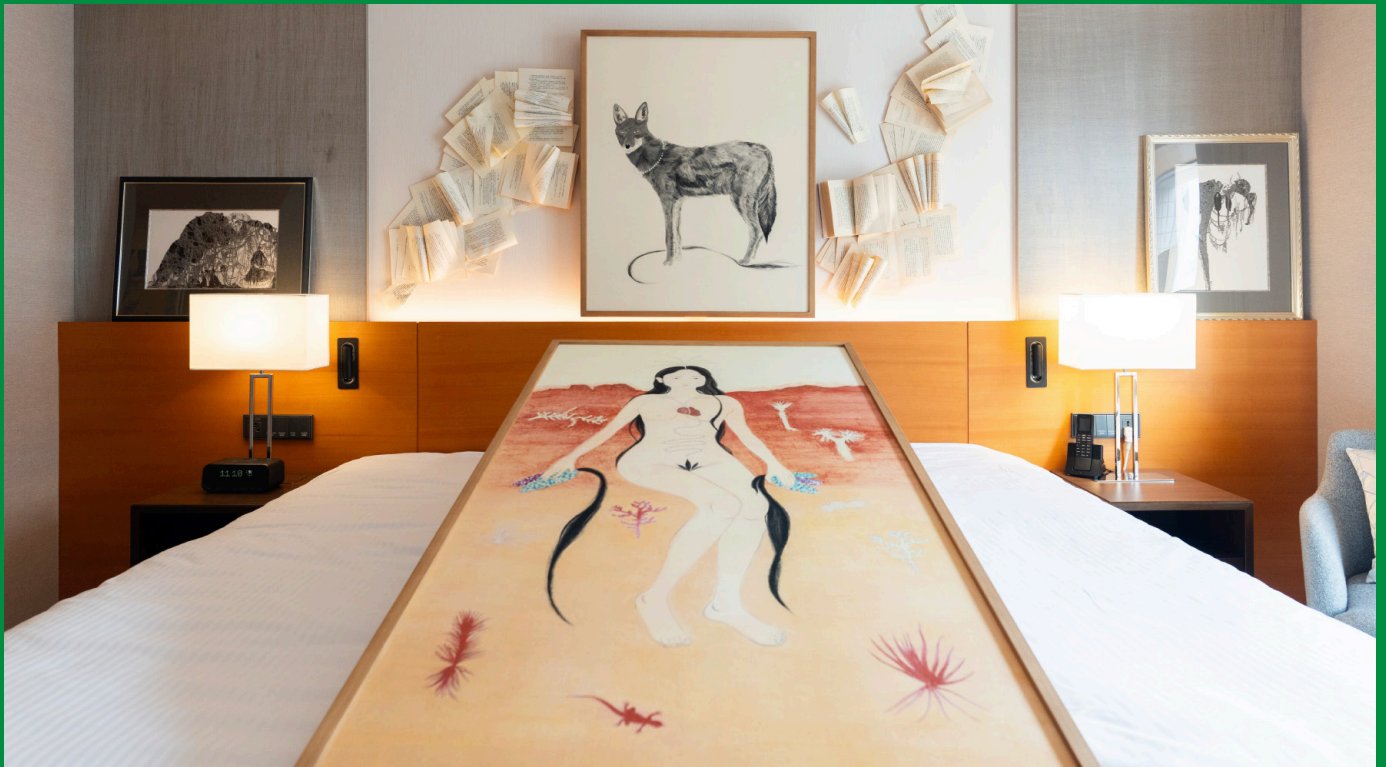

In order to regain the intention of the hotel art fair, to present artworks in the limited space, OAT presents the Best Interior Design Award to encourage the participating galleries to decorate the room to create more diversities.

To present the finest art experience full of surprises for collectors and fair goers, ONE ART Taipei 2027 keeps the "Best Interior Design Award". The winner will be selected by jurors at the fair.

The awarded gallery will receive a cash prize of US\$2000 which will be applied as a credit towards the booth fee for the next ONE ART Taipei.

*The cash prize can only be used to deduct the booth fee for the next ONE ART Taipei and cannot be converted to cash, retained, or transferred. If the winner does not participate in the next exhibition, the prize will be forfeited. The OAT committee reserves the right to interpret the terms of the event.
